Re: Robert Hoban - Traffic and Parking Commission Re-Appointment

We have contacted Mr. Robert Hoban, whose term on the Traffic and Parking Commission expires on December 20, 2007. Mr. Hoban wishes to be appointed to another four-year term on the Commission. He also wishes to remain on the Traffic Signal Capital Improvements Advisory Committee. He has missed one meeting in the last 12 months because he was in the hospital. I would like to recommend his reappointment.
